- 7/23/23 and 8/6/23 meeting minutes approved as written.
- Deb received the third draw from the CDBG grant. There may only be one additional draw remaining.
- Deb is meeting with Danielle on 9/8/23 to review details from our recent fundraising campaign. The campaign has raised \$27,652.48 to date, reaching and exceeding our goal for this fundraiser.
- We may or may not have someone on board to do some exterior trim painting work this year.
- Deb recommends forming a building committee as we continue our work on the building. We will give more thought to people who might be interested, their interests, roles, time involvement, etc. This kind of committee will be a great asset to our community effort as we continue with the next steps in the project.
- Deb and Jane both have messages in to Lindsey regarding our ongoing housekeeping work now that the initial construct work is largely complete.
- Deb will reply to Brooke regarding in-person classes to restart in September.
- We discussed planning for the 9/23 basket raffle event. Deb and Jane will continue the conversation.
- Meeting adjourned at 12:11.
